Adopt A Cop BJJ

Lycan's Den MMA is proud to be an affiliate of Adopt A Cop BJJ! This program allows all active duty patrolling police officers to train at affiliated gyms until they reach the blue belt rank! By doing this, our hopes are to help make our community a safer place and to make sure police officers make it home safely to their families each night. If you are an active police officer and are interested in joining this wonderful program, then please contact us today!
